Daniel Houston Moore

July 20th, 2008

Dan Moore died peacefully and in the presence of many caring, loving people at Heritage Hill Senior Community in Weatherly, Pennsylvania, on Sunday, July 20th, 2008, at 6:50 PM.

Dan was born in Elk Creek, Virginia on April 7th, 1909. He was the youngest of 8 children born to Dan and Nannie-Sue Moore (nee Cox), all of whom have preceded him in death.

Numerous extraordinary accomplishments mark the life of this gentle, "ordinary" man, including world renown scientific research undertakings, exceptional educational degrees, and several significant awards. He was a loving father and husband.

Dan's later years were spent on the property he owned in Weatherly where he did what he loved most -- communing with nature by planting trees, growing gardens, sawing and chopping firewood, and doing all he could to support and develop his natural surroundings without disturbing the ecological balance of the environment.

He will be sorely missed.

Dan is survived by his wife Cathleen Turner Moore; his son and daughter-in-law Dan and Pat Moore of California; daughter Susan Roberts of Washington, DC; grandson and his wife Derek and Susie Moore of California; and two great-grandsons Joshua and Samuel Moore of California. In addition, Dan is survived by many nieces, nephews, and great nieces and nephews.

A viewing is planned from 5:00 PM to 6:00 PM, Thursday, July 24th, 2008, followed by a service in the chapel of the Sisters of Peace Pentecost, 484 Pumphouse Road, Weatherly, Pennsylvania.

In lieu of flowers, please send donations to Heritage Hill Senior Community, 800 6th Street, Weatherly, PA, 18255, in memory of Dan Moore. All donations will be used toward enhanced Alzheimer's programs.
